

WEBINAR • FOUNDATION • LIVE ONLINE, HIGH SIGNAL, ZERO TRAVEL

AI Fluency for Business Teams

The fastest way to raise your whole team's AI baseline: live, practical, function-specific — with a playbook they use the same day.

 2 hours Live online, unlimited seats 4.7 · 1.4k+ trained

PROGRAMME OVERVIEW

About this programme

A high-energy live webinar that gives business teams — sales, marketing, HR, finance, operations — a working command of AI tools for their function. Every attendee leaves with a role-specific playbook and prompt library.

OBJECTIVES

What this programme sets out to do

Build a working command of live session

AT A GLANCE

WHO IT'S DESIGNED & DELIVERED FOR

Cohorts

Business functions; no technical background needed.

Pre-requisites

- No coding or prior AI experience required — open to every professional background.
- A laptop for the hands-on segments.
- One or two real use-cases from your work to apply the learning to.

Tentative duration & effort

2 hours

- ≈ 2 total contact hours
- Live online, unlimited seats
- Pacing adapts to your cohort; private cohorts can be re-scoped

WHAT YOU TAKE AWAY

Tangible outputs

- A verifiable, shareable digital certificate
- A role-specific prompt / playbook library
- Qube AI copilot access during the programme
- Session recordings and all working materials
- Entry to the Qubicon alumni community & office hours

MODULE - BY - MODULE

What we cover

MODULE	KEY TOPICS COVERED	HRS*
01 Live session	Capability tour by function · Live build-alongs · Data-safety essentials · Q&A with practitioners	2

*Indicative contact hours per module; tuned to your cohort's pace and any private-cohort customisation.

Function playbooks

PROGRAMME OUTCOMES

What you'll be able to do

- ✓ Use AI confidently for the 10 highest-value tasks in your role
- ✓ Take away a function-specific prompt playbook

- ✓ Apply company-safe data practices automatically

Delivery & certification

- Live, expert-led sessions with hands-on labs and mentoring
- The Qube AI copilot supports every learner between sessions
- Delivered in 12+ languages with domain-accurate translation
- Verifiable digital certificate — verify any code at qubiconai.com/verify

Investment

\$100/hr · ₹5,999/hr

- **Individuals:** enrol & pay online (cards / UPI)
- **Enterprises:** quote → PO → GST invoice → net-30, zero upfront
- Private cohorts, on-site delivery & volume rates on request

For corporates & institutions

- Private cohorts engineered around your stack, data and use-cases
- Curriculum built by principal instructors with the Qube engine
- Capability analytics: engagement, skill-lift and applied-project ROI
- Procurement-friendly: quote → PO → GST invoice → net-30, zero upfront
- MSA, data-security review and on-prem / VPC delivery supported

For individual learners

- Enrol and pay online — cards, UPI or Razorpay
- Live, expert-led sessions (never pre-recorded)
- A verifiable certificate you can share with employers
- The Qube AI copilot supporting you between sessions
- Recordings, materials and an active alumni community
